Schools must follow the regulations as stated in Texas State law with regard to weapons.

It is a crime for any person, student or non-student, to carry a firearm or any other type of dangerous weapon within 1,000 feet of school property, onto a school campus or bus or at school sponsored athletic, social or extracurricular activities. The person who does this will immediately be reported to the police. The principal will notify the parent/guardian of any student who is arrested for violation of this statute.
