Tuition Assistance Opportunities

Hope for the Future

The Archdiocese of San Antonio Hope for the Future program provides need-based tuition assistance for **K-8th grade** Catholic and non-Catholic students who meet eligibility requirements. Tuition assistance is prioritized by financial need and based on available funding.

Families must apply online at www.hopeforfuture.org or <https://online.factsmgt.com/aid> and pay a \$30 non-refundable application fee. Please visit www.hopeforfuture.org for more information and deadlines.

St. Matthew School Tuition Assistance

St. Matthew provides need-based tuition assistance to enrolled **K-8th grade** students prioritized by financial needs and based on available funding. St. Matthew uses the same application as Hope for the Future for determining assistance through our own pool of funds, so applicants need only apply once through Hope for the Future to be considered for tuition assistance through St. Matthew School.

* For both programs, funding does not automatically carry forward each school year. An application must be submitted for each subsequent year of enrollment. A complete application must contain income verification. Only complete applications will be considered and only families with a \$0 balance at school will be awarded.
