

# 2020-2021

## Track & Field

---

The track and field season will be an intramural program for St. Matthew. The purpose of this is to keep our student athletes, families and faculty safe. We do not have tryouts for Track & Field, everyone who comes out will participate in an event. We will have both boy and girl teams that will practice once a week on different days. At the end of the season we will have a final St. Matthew Meet with both teams.

At this time we feel it's not a good idea to have our student athletes attend a meet that will host 300+ students from schools from all over the city. By keeping this sport in house we can manage the safety and lower the risk for all while at the same time allowing them to participate in Track & Field. While in previous years students are limited to certain events because of the number of athletes we have, this offering will allow them to try multiple events that they normally will not do. We feel that this is a win win for all.

Athletes will still be held to all policies and rules stated in our athletic handbook.

### IMPORTANT INFORMATION

- All physicals must be on file with the Athletic Department no later than the first day of practices.

***You will not be able to practice without this on file.***

- Meet or Exceed the Student - Parent Handbook minimum academic requirement for eligibility.
  - Musts have a 70 or better cumulative average of all subjects and are not failing more than one subject at progress report grading periods.
  - Must maintain 75 or better cumulative average of all subjects and no grade lower than a 70 in any subject at report card grading periods.
- Full Commitment to the Team
  - **School team comes first!**
  - A student participating in Track & Field can also play Baseball, Softball, Golf and Tennis.
  - **Leaving early or coming late to practice for other non-school related activities will not be allowed and will result in possible removal from the team.**

---

- **Sport Fee**

- Track & Field sports fee of \$100. The sports fees will be added to your FACTS account with the school.
- Must be current with your school account to be eligible for the team.
